

Direction for use

Guardian Textile Cleaner

Guardian Textile Cleaner - a unique cleaner - can be used for removing stains on all textiles.

The product does not contain bleach.

1. Always test the product in an invisible place.
2. Always wipe up as much of the spilled liquid / the stain with a dry cloth before applying Textile Cleaner.
3. Spray Textile Cleaner directly onto the stain, activate the product with a soft brush or sponge. In some cases, the Textile Cleaner turns into a light foam.
4. Wipe up the cleaner and dirt with absorbing material (tea towel, paper towels or the like). If necessary, dry with a hair dryer and vacuum-cleaner afterwards.
5. It is important to wipe up all Textile Cleaner from the textile to avoid blotches.
6. Repeat the above procedure on difficult stains.
7. Take advantage of treatment Guardian Textile Protector.

Shake before use.

Keep out of the reach of children.

Always test the product on a piece that is not visible before use.

We hope you enjoy using Guardian Textile Cleaner!
