

# Direction for use

## Guardian Detergent

Guardian Detergent this unique detergent is designed for the machine wash of lambskin, wool and down products.

Wash on a low-temperature wash (programmed with high water levels and low drum rotation) of 30 degrees to reduce the risk of shrinking.

Dose: 75 ml (washing machine capacity 4-5 kg).

Guardian Detergent is biologically degradable and no optical whiteness or preservatives have been added.

Store frost-free and closed in the original packaging.

Keep out of the reach of children.

***Always test the product on a piece that is not visible before use.***

***We hope you enjoy using Guardian Detergent!***
