

Direction for use

Guardian Bio-Oil

For lye-treated wood.

Guardian Bio-Oil is made only from the finest and purest oil.

The oil is used to care for and maintain lye-treated wood.

Guardian recommends that you treat your furniture 3-4 times a year.

The oil is applied using a soft, clean cloths in the same direction as the wood grain.

The oil is not suitable for outdoor use or for hardwoods.

For these you should use Guardian Noble Wood Oil.

Used cloths should be rinsed in water and kept in air tight bags.

Drying time: Approx. 2 hours.

Any excess oil should be wiped off with a clean, dry cloth.

Shake before use.

Keep out of the reach of children.

Always test the product on a piece that is not visible before use.

We hope you enjoy using Guardian Bio-Oil!
